

# GLOBAL LOGISTICS SERVICES

## GETTING WHAT YOU NEED TO WHERE YOU NEED IT: FROM START TO FINISH.

With our extensive international logistics partner network and warehousing capabilities, **Myriad360** is the preferred global logistics partner of enterprises, network operators, webscalers and cloud builders looking to expand their global presence – whether you purchase your equipment through us or not.

### WHY MYRIAD360?

#### Global. Better. Faster.

We approach logistics strategically, shipping worldwide in a highly efficient manner. With dedicated procurement and logistics teams, accurate estimates, secure storage options, and end-to-end service, we deliver the right products smoothly and seamlessly, on-spec and on time, under a budget we guarantee.

#### Logistics that are proactive and on point.

With our superior logistics capabilities, we can deliver the solutions you need, when and where you need them. We anticipate risks and work proactively to address problems before they start. And when a sourcing challenge does arise, we are creative, nimble, and transparent—adjusting quickly to unexpected situations, updating you responsively, and ultimately helping you fulfill your organization's technical needs, anywhere in the world.

#### Experts in global logistics. Experts in you.

You come to us because we know global logistics. But you'll stay with us because we know your organization. We take the time to develop a comprehensive understanding of both your technical and strategic needs. By gaining deep insight into your objectives, we deliver the best solutions – and results – for you.

The global supply chain market size is valued at **\$15.85 billion**

Supply chain disruptions can cause a massive **62%** loss in finances

Reducing supply chain costs from **9%** to **4%** can double profits

**Myriad360** is able to efficiently source and ship equipment to more than **190 countries**, including the most challenging ones such as Brazil, Russia, India, and China. Our services include - but are not limited to:

- Domestic and global shipping
- Freight forwarding
- Secure Storage
- Customs (Importer of record services)

## BEFORE GETTING STARTED, WE WILL ASK NEW CUSTOMERS THE FOLLOWING:

- What challenges have you faced in the past?
- Which countries are you shipping to?
- Do you have a local entity in those countries?

## WORKING WITH MYRIAD360:

Whether you need assistance with developing a global logistics strategy or someone to take care of the day-to-day details, we handle it all.

- 1** Single point of contact. All communication will flow through Myriad360 for streamlined communications.
- 2** No customs concerns. Myriad360 coordinates all permits and certifications required for your equipment to be shipped in compliance with international and in-country laws and regulations. Clear customs quickly with no concerns.
- 3** End-to-end service. Myriad360 is by your side through it all—in it for the long haul, and committed to supporting your delivery from start to finish.
- 4** Sit back and relax. Once your goods have left our warehouse, our international team will provide daily updates on their progress until they are delivered safely.

### YOU MAY BENEFIT FROM MYRIAD360'S GLOBAL LOGISTICS SERVICES IF:

- Your shipments have ever become stuck in customs due to complicated import laws and regulations
- You are unaware of pre and post shipment permits or manufacturer-level certifications that may be required
- You have encountered fines, penalties, legal issues, seized shipments or losses as a result of non-compliance
- You have been met with surprise costs and/or inspections during customs clearance after shipment arrival in country
- You have experienced a language barrier during the importation process
